

Progressive Starquilt Making Class

**October 11 & 13
October 18 & 20
6:00 p.m. – 8:00 p.m.
SPRC Board Room**

This class is the first step in a progressive class, meaning we will first make a basic star on a tapestry-size project. This fall, the class will then move into doing a baby quilt and only the most dedicated will work their way to doing a full-size starquilt.

The instructor for this class is community member Angel Cadotte. Angel Cadotte is a Bismarck-Mandan community member and artist. Angel started AC Quilting in November of 2021. Learning the skill of sewing from her grandmother as a teen, she wants to share this knowledge with others. Sewing brings people together as well as lets us share our creative expression with one another.

**A \$25 deposit will be required to attend and will be returned to you upon completion of all sessions. For questions or more information, contact native@sacredpipe.net or call 701.663.3886
